

Presents the 2nd Annual

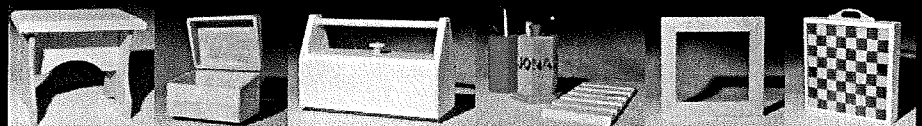

**NORTH
COUNTRY
WOODSHOP**

PINEWOOD DERBY BUILDING DAYS

- WHO** Cub Scout Packs and individuals who want to build a Pinewood Derby Car. Brothers and sisters are welcome too!
- WHAT** We will setup our woodshop and classroom with all the tools needed for your pack to make their pinewood derby cars from start to finish! Our instructors will help with cutting, drilling, sanding, painting and more! We will also have our *Wooden Widget Kits* available for brothers and sisters to make. These include tool boxes, picture frames, recipe holders, bird houses, and more, and can count toward activity badges!
- WHEN** Set up an appointment for your group to come in. (5 scout minimum)
- WHERE** **NORTH COUNTRY WOODSHOP**
1170 E Cliff Rd
Burnsville, MN 55337
- WHY** To support our local scouts and promote the education of woodworking among our youth!
- COST** \$9.95 per scout per hour. Bring your own pinewood derby kits.
- CONTACT** Register online at northcountrywoodshop.com, call 952 500-8812, or email michael.radtke@northcountrywoodshop.com.

* Ask us about setting up another building event for your group, we offer classes tailored toward Cub Scout activity requirements.

WOODWORKING FOR SCOUTS

Looking for a place to host your next scouting event? North Country Woodshop has the instructors, projects, tools, and space for your group to have an experience they will never forget! Our woodworking program includes a lesson on hand tools, a tour of the woodshop, and a woodworking activity/project. Just pick a project, date, and time and let us take care of the details.

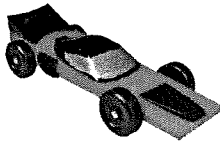

If you have a leader who can teach all that and you are just looking for a space, tools, and kits, you can rent the classroom for only \$6.95 per scout per hour plus the cost of the kit you select. With our instructor rates are only \$9.95 per scout per hour plus the cost of the kit (5 scout minimum). Most projects take 1-2 hours unless noted.

Register online at www.northcountrywoodshop.com or call 952 500 8812.

WOODEN WIDGETS

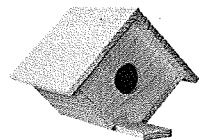

All prices are per kit. One type of kit per group.

Derby Car – \$7.95 (or bring your own kits)

Let your kids feel the need for speed when they design and assemble their own downhill derby car. And once everyone has their car complete, let's go racing down the 30 foot race track at North Country Woodshop.

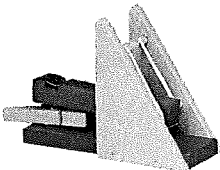

Skills: Design, hammer, drill press, and more

Birdhouse – \$11.95

Teach your kids the joy of bird watching. They will take pride in building a home for their new feathered friends. This cedar birdhouse measures 9"x6"x6" and will attract sparrows and wrens.

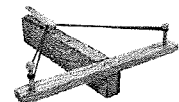

Skills: Glue and nail

Catapult – \$7.95

Do your kids love playing Angry Birds? Then they'll love to make a real wooden catapult to launch things from!

Skills: Glue and screw

Marshmallow Shooter – \$5.95

Send marshmallows into orbit with this aerodynamic crossbow hooter. Simple straight cuts and a few holes and you'll be launching marshmallows with amazing accuracy in not time.

Skills: Glue, screw, and drill
